Dear Parent/Guardian:

As this school year comes to an end, we are beginning to plan for 2015-2016. In preparation for another fantastic year, we'd like to highlight a few points regarding our dress code.

The entire dress code can be found within the middle school handbook which is available on the NPUSC website. This document has all of the middle school policies and procedures. Please pay special attention to the information below.

The school administration and staff will encourage all students to dress in a fashion that reflects good taste and style appropriate for school. Parents are strongly urged to monitor their child's dress for school. In order to maintain an atmosphere for learning, we must impress upon our students that school is a place of learning. Students are not to wear or display:

- tank tops or shirts with open back and/or open shoulder tops
- front, back, side, or mid-drift skin
- clothing that is excessively revealing
- yoga pants or leggings without an upper garment that covers the front and back of the student to mid-thigh
- shorts/skirts that are not 4 inches above the knee or longer
- pajama bottoms
- pants with holes, rips, or excessively worn areas above the knees

If you have any questions please do not hesitate to ask any of your child's teachers, Mr. Lugbill or Mrs. Scott. We are already looking forward to next year and anticipating amazing growth from students at NPMS.

Sincerely,

Jeremy Lugbill
