From the Desk of the Principal

Welcome Back! This year I will be writing a monthly newsletter to inform you about some of the awesome things that the middle school will be doing. You can access this newsletter either on the school homepage or our Facebook/Twitter page.

It has been a wonderful start to the year. Students have adjusted very well and are already into a regular routine. It's great to see their enthusiasm and feel the energy that they bring to our building.

Our students are getting very busy since returning to school. Our fall athletes are beginning their seasons and we hope to be able to add a few more trophies to our case. Our Spell Bowl Team has also been practicing very hard to get ready for their competitions. In addition, after school clubs are starting up as well as our 21st Century Program. Applications for this are available in the office.

We are trying to put together a Parent Action Network this year. If you are interested in becoming a member please contact Phil King at pking@npusc.k12.in.us or check out their Facebook page- New Prairie Middle School Parent Action Network.

Our Mrs. Fields fundraiser began August 21. This is our one big fundraiser for the year. Profits help to off-set costs for field trips and to purchase items for students to use in the classrooms. We thank all of you for your support in this worthwhile endeavor.

Did You Know . . .
