*****Home of the Fabulous Cougars*****

Mission Statement

Nurturing and
Preparing
Minds for
Success

Did You Know . . .

**Spring Break begins
April 1. Students are
back on April 11th.**

**ISTEP+ begins April 18th
and runs through May
6th.**

**Approximately 75 8th
grade students will be
going to Washington D.C.
over spring break.**

**Our first track meet is
April 11th @ 4:30.**

From the Desk of the Principal

Happy Spring! Walking out to my car this week sure makes me question the calendar! Hopefully when we return from break we will have warmer weather and start to see some leaves on the trees and flowers in the yards.

March was a very active month for the NPMS family. Wrestling finished up their successful season. In addition, our band gave a wonderful concert at the high school and both band and choir brought home many gold and silver awards at ISSMA. In addition to all their activities, students have been studying very hard in all of their classes getting ready for the second part of ISTEP+. Like last year all students will be taking this portion of the test on the computers. Please be sure that students eat a good breakfast in the morning and if at all possible, please do not schedule any appointments between April 18th and May 6th.

Spring around the NPMS campus brings track, academic competitions and field trips for our students. A number of our 8th graders are going to Washington D.C. over Spring Break. What a marvelous opportunity for them! When we get back there will only be 7 weeks of school left. Hard to believe. Let's make them the best ever!
