

The Cougar Times-May

*****Home of the Fabulous Cougars*****

Mission Statement

**Nurturing and
Preparing
Minds for
Success**

From the Desk of the Principal

It's hard to believe that it is May already! It seems like it was just yesterday when we were welcoming students back to school.

As you can imagine this month is very busy for our students. ISTEP+ finishes up this week which is a good thing since our students have many fun field trips planned. The Spanish students will be going on a trip to South Bend to visit a museum and partake in an authentic Mexican meal. 6th grade will be going bowling and to a movie. 7th grade will be going to a South Bend Cubs game while 8th grade will be going to Potato Creek.

We have our Enrichment Day planned for May 18th. Students will be able to partake in two different activities that afternoon. We also have Field Days planned for the last week of school.

It has been a great year. To our 8th graders, we wish you much luck in high school. We will miss you! Sixth & seventh graders we will see you in a few months!

Did You Know . . .
