Spring Break begins April 3rd.

From the Desk of the Principal

February was definitely an interesting month for New Carlisle. What a lucky break to have so many nice days in the 60's! I think we all got a little spoiled when the snow returned a few days ago. The positive thing is that it is getting lighter in the mornings and staying lighter at night. A sure sign of Spring ☺

March starts with a bang with our students taking ISTEP+ the first week. This will be the Applied Skills part of the test and then at the end of April they will take the second half, which will be multiple choice. All students will be taking the second portion of the test on the computers. Please be sure that students eat a good breakfast in the morning and if at all possible, please do not schedule any appointments for this week.

Girls basketball and wrestling are coming to the end of their seasons. Our girls struggled a bit, but they learned a lot. Our wrestlers are having an awesome season at 14-2.

Please make sure to take note of all the important dates coming up in March. It's going to be another busy one!
